

## **Dearly Beloved,**

Greetings to you in the name of our Lord and Savior Jesus Christ!

**December 14, 2025, Sunday – Revelation to Joseph, Yaldo Season**

### **Scriptural Readings:**

- OT: Genesis 37:5-11, 2 Samuel 22:26-51, Isaiah 45:18-25, 46:1-2
- NT: 1 Peter 2:1-10, Galatians 1:11-24, Holy Gospel St Matthew 1:18-25

Holy Gospel: St Matthew 1:18-25

<sup>18</sup>Now the birth of Jesus Christ<sup>[a]</sup> took place in this way. When his mother Mary had been betrothed to Joseph, before they came together, she was found to be with child of the Holy Spirit; <sup>19</sup>and her husband Joseph, being a just man and unwilling to put her to shame, resolved to divorce her quietly. <sup>20</sup>But as he considered this, behold, an angel of the Lord appeared to him in a dream, saying, “Joseph, son of David, do not fear to take Mary your wife, for that which is conceived in her is of the Holy Spirit; <sup>21</sup>she will bear a son, and you shall call his name Jesus, for he will save his people from their sins.” <sup>22</sup>All this took place to fulfil what the Lord had spoken by the prophet:

<sup>23</sup>“Behold, a virgin shall conceive and bear a son, and his name shall be called Emman'u-el” (which means, God with us). <sup>24</sup>When Joseph woke from sleep, he did as the angel of the Lord commanded him; he took his wife, <sup>25</sup>but knew her not until she had borne a son; and he called his name Jesus.

### **Reflections:**

From here, looking out through the glass window to see a snowy morning where everything is covered in white. It is a blank white landscape. Slowly, the morning sun's golden rays begin to warm the surrounding, shedding a glow on nature's serene setting to make it a mesmerizing camaraderie of trees, houses, vehicles, morning walkers and chirping birds. At the end of the long street, the road, the woods and the horizon fade and merge into a saffron cloud. The view transcends time and space. The Holy Scripture is kept open on the table with the Lukan narrative of events that took place in a man's life reminding one of a Rorschach test with all its ambiguity. Joseph was confused. He had no clue as to what to do. His age, conscience, social pressure, urge for justice, care and responsibility for the family together with religious morality pushed and tossed him to various poles. He looked at the virgin mother, her young age, the promises given to her from heaven. Torn between what he wanted to do and what he was expected by the Divine to do, Joseph found himself in a space of senselessness as if everything around was white for him without a sense of direction filled with chaos and without clarity or certainty.

The passage says that he had a dream. Was he able to get into sleep? Was it a dream or a vision? Or did the weariness of spending days in thought and tension cause him to catch some hours of sleep? God did not allow that moment of peace that Joseph seemed to be oblivious of everything around him, to slip by just like that. He was so considerate of Joseph's confusion and a likely plan to divorce Mary, that He sent an angel like the morning sun glowing the unseen with its heavenly rays. Joseph who was blind to the reality so far, could now see.

The vision awakened him to his natural senses, the senses of being a human not manipulated or adulterated by pseudo pressures. He got enlightened like a Buddha. He got the answer to the question of his very life: What was God's purpose in his life? And thus: what was to be his mission? A situation that could have resulted in the banishment of an expectant young lady to be stoned and torn apart by the religious morality was now transformed to purpose-filled moments where Joseph was energized by a new determination devoid of fear and anxiety. **He was not bothered anymore**

**about what others would say. He loved his life and he was going to love and care for his wife. With love, he felt more courage within.** He arose to a new dawn of action, like Moses went to meet Pharaoh asking him to release his people. Joseph experienced God's dynamism in his life in a surer manner. Thenceforth, he never suspected his calling and role. ***He stood by Mary, being with her and the child in a world that was not in favour of them. It was like a one-man army against all forces of challenges and destruction.***

Humans have limitations and preoccupations, mostly driven by a restricted vision of the self and of the family. We work, earn, spend and live for ourselves. We may get involved in some charitable or community work. Some of us dare to dream, some of us can turn those dreams into realities. **Dreams die if they are not turned to visions.**

For everything, there will be a vision and mission declaration. What could be the vision and mission individuals hold and work for? Without a vision larger than oneself, no one can attempt great things. ***One would never initiate a project of social relevance without getting enlightened. We are God's Images sent to the world with a higher purpose.*** In carrying out our true mission, we may face risks and challenges. **However, we will never be left alone.** If Joseph and Mary had the Divine provisions and support, we would also have them. May we all have a vision to live and a mission to accomplish. We leave this world only after the mission is accomplished. If we feel weak or confused, He will guide us. When we die, we will be resurrected in Jesus' name!! He is Immanuel. God with us!

**15.Winter Season Precautionary Arrangements effective Sunday, December 7, 2025.**

As we did last year, we are introducing a small change to the church entrance plan for the winter

season. This is for everyone's comfort and safety, especially to prevent entering the church with wet shoes or socks. Please use the south side entrance where the elevator is located when you arrive. After entering, kindly leave your shoes in the designated areas. Then proceed to the church through the stairs on the north side.

These precautionary steps are intended to help our members avoid discomfort and maintain cleanliness during the winter months.

**Clear signs were posted at the entrance and exit routes. Your cooperation in following these instructions is greatly appreciated**

**16. FOR OUR ATTENTION & TO NOTE:**

Children, please occupy front benches during our Liturgical Services  
Kindly avoid crowding at the back of the church. A few concerns.

- Due to safety concerns and for assuring an undistracted worship space, we request all our members to proceed to the front rows except those that are reserved for children when we enter the temple. It would be a bit difficult for our volunteers to suggest moving to the front during the service as it would cause distraction and noise. We need to avoid crowding at the entrance and stair areas as this has raised safety concerns.
- Please be considerate to our senior members to help them find seats or while they try to access the washroom. A slip or a hit should be avoided in any circumstance.
- Please be watchful at the shoe rack area which is also the entrance to both washrooms.
- We request our parents to attend our children not to pull the alarm lever at the back wall.

**17. Hand Waving Machine & Common Absolution Prayer for all communicants**

The hand waving machine has been installed at the church entrance for taking count of the communicants. Whoever wishes to take Holy Communion, upon entering the temple, please wave your hand once at the machine. Please be aware that after the Nicene Creed, the machine shall be disabled. Absolution shall be done during the morning prayer.
