

## WEEKLY THOUGHTS - OCTOBER 02, 2020

Dearly Beloved,

Greetings to you in the name of our Lord and Saviour Jesus Christ!

### October 04, 3<sup>rd</sup> Sunday after the Feast of the Cross

#### Gospel Reading, St Mark 2:23-28 RSV

23 One sabbath he was going through the grainfields; and as they made their way his disciples began to pluck heads of grain. 24 And the Pharisees said to him, "Look, why are they doing what is not lawful on the sabbath?" 25 And he said to them, "Have you never read what David did, when he was in need and was hungry, he and those who were with him: 26 how he entered the house of God, when Abi'athar was high priest, and ate the bread of the Presence, which it is not lawful for any but the priests to eat, and also gave it to those who were with him?" 27 And he said to them, "The sabbath was made for man, not man for the sabbath; 28 so the Son of man is lord even of the sabbath."

#### Reflections

Too much criticism can be unhealthy and even destructive. For bringing in the best results and contributions, people would need encouragement and support. Jesus was always a target for the Pharisees and leaders. He always engaged himself in good work. He was doing only good to others without taking any profit for himself. They had to think about what they were looking for while carrying out their duties and responsibilities. They had to realise how they would be feeling while getting bombarded with blames and allegations? Sabbath was meant to be holy for them to worship and to say thanks to God. Most often, they used Sabbath to criticise Jesus for his compassionate actions for the needy. They were religious, but failed in reflecting the virtues of God. It was nothing but love, care and healing. Leaders of the community were in distress for their inability to reveal God's love to the poor. They were more inclined to formal observations of rites and ceremonies rather than putting any effort to transform the lives of people. Charity as revealed by the Lord is nothing but worship and devotion put into compassionate actions. Here we have two aspects of criticism to think about. Jesus had set an example on how to respond to criticisms. He never retaliated or cursed anyone. He was cool and went on with his ministry. He never criticised anyone for human failures even though he was perfect in everything. He showed only mercy and compassion towards people. He could understand the human frailty and fragility. On the other hand, there were leaders in position who did nothing for uplifting the downtrodden but developed only arrogance against Christ and tried to instigate hatred and suspicion among the people against Jesus. All their actions summed up in the end to kill him. The world had lost Christ. Being responsible members of the church, we should encourage all good thoughts and deeds and if any blames come upon us, keep ourselves cool and calm. We are the followers of the one who did only good, suffered, died and was resurrected. May He resurrect in us every day, every moment.

## Gandhi Jayanti – October 02

M K Gandhi (Mohandas Karam Chand Gandhi) called by the world reverentially Mahatma (great soul), respectfully Gandhiji and fondly Bapuji was born on October 2<sup>nd</sup>. He practiced love through caring for the poor and dedicating his life for those whom he loved. He was a Hindu who reflected the love of God revealed by Christ. He was inspired by the Sermon on the Mount (Beatitudes) and proved the practicality of love through freeing the people from bondage and slavery. He started his liberation activities in South Africa and after coming back to India, he had to lead the freedom movement to victory. India got independence on August 15, 1947. Gandhi was elevated to the honour of 'Father of the Nation' in the hearts of millions of people. Western freedom movements were highly influenced by Bapuji's 'Satyagraha' through Non Violence and Non Cooperation. There is no one in history who could stride over the path to liberation without bloodshed and militancy. He was not only a national leader but also a universal spiritual guru who offered himself for peace and social justice. His autobiography, 'The Story of My Experiments with Truth' is considered classic and read by millions all over the globe. His philosophy of life was, "Whenever we plan to do something, we should think how it would be beneficial for the poorest person in this world." He practiced greatest virtues of forgiveness and reconciliation. There was an incident when he was beaten on face by a racist; he showed him the best example of compassion to ask the beater whether it had hurt him! Was it not the same Christ had taught us?! Gandhiji has set an example that a simple spiritual person who doesn't have any physical power or material wealth can lead the world to liberation and prosperity. Salute to you Mahatma! The world needs to put into practice your example!

## Thanksgiving

October is the month of thanksgiving. We used to raise fund for both our parish needs and for charity. We had the concept that every member family keep aside one dollar each day and contribute the sum towards thanksgiving. Out of the total collection half will be for the parish and half for charity spending. Because of Pandemic, we are affected badly regarding finance and community building up programs. We are approaching the end of financial year. There are payment dues pending. Please participate and make it a grand success.

We have enough and more reasons to thank the Lord. He has been keeping us safe in the midst of dreadful infection possibilities. St Paul has advised us: ‘Remember this: Whoever sows sparingly will also reap sparingly, and whoever sows generously will also reap generously. Each of you should give what you have decided in your heart to give, not reluctantly or under compulsion, for God loves a cheerful giver. And God is able to bless you abundantly, so that in all things at all times, having all that you need, you will abound in every good work. As it is written: “They have freely scattered their gifts to the poor; their righteousness endures forever.” (2 Corinthians 9:6-9).

## Plaque of Contributors

As planned, the names of contributors towards the Church Renovation Project shall be exhibited on plaques in the church, in the basement area. We have different categories based on the total amount given, starting with \$5000 contribution. Those who wish to upgrade, they could make rest of payment corresponding to the category they wish to be in. For those who haven't made a contribution yet, there is still time to contribute and have their names inscribed on the plaque. 2020 November 30 will
