

WEEKLY THOUGHTS - JUNE 11, 2021

Dearly beloved,

Sunday June 13th, Third Sunday after Pentecost

Epistle Readings: Acts 13:26-39, Galatians 6:10-18

Holy Gospel: St John 6:35-46

6. 35 Jesus said to them, "I am the bread of life; he who comes to me shall not hunger, and he who believes in me shall never thirst. 36 But I said to you that you have seen me and yet do not believe. 37 All that the Father gives me will come to me; and him who comes to me I will not cast out. 38 For I have come down from heaven, not to do my own will, but the will of him who sent me; 39 and this is the will of him who sent me, that I should lose nothing of all that he has given me, but raise it up at the last day. 40 For this is the will of my Father, that every one who sees the Son and believes in him should have eternal life; and I will raise him up at the last day."

41 The Jews then murmured at him, because he said, "I am the bread which came down from heaven." 42 They said, "Is not this Jesus, the son of Joseph, whose father and mother we know? How does he now say, 'I have come down from heaven'?" 43 Jesus answered them, "Do not murmur among yourselves. 44 No one can come to me unless the Father who sent me draws him; and I will raise him up at the last day. 45 It is written in the prophets, 'And they shall all be taught by God.' Everyone who has heard and learned from the Father comes to me. 46 Not that anyone has seen the Father except him who is from God; he has seen the Father.

Reflection:

Jesus Christ is the only bread of life who can quench the thirst and hunger of the human soul which cannot be done with worldly things alone. Neither all the rich live peacefully nor do all the poor live in despair which means having everything cannot assure a life of contentment. Christ is the one who is accessible to the needy who promises eternal life and resurrection. Eternal life starts on earth to continue in heaven which means we can live a heavenly life on earth. It is more a life of higher quality in thoughts, views, aspirations, ambitions and goal. Eternal life is that always looks beyond the local and temporal pleasures and it is a life dedicated for the well being of others than the self. Christ is not just a person but a world of revolutionary ideas that can transform the whole world by liberating human mind from destructive thoughts and actions. Christ the bread of life -not of death- has never approved deadly actions like wars, selfish actions, intrusions, neglecting the needy, slavery, bondage, killing, refusal or violation of rights, social injustice, exploitation, discrimination, oppression and invasion. It is the self giving love Christ has taught which only can be the resurrecting element for the whole creation. He has revealed it on the cross and promised it beforehand by saying, "eat my body and drink my blood". Jesus the bread of life is the unselfish love that every Christian should practice and follow which is not confined within the walls of church but should be given out to the whole creation.

Feasts:

June 11, Apostle St Batholomew. He was one among the twelve mentioned in all the three synoptic gospels (Mk 3:16-19, Mt 10:2-4, Lk 6:14-16). There is an assumption that Bartholomew and Nathanael (Jn 1:45-51) are the same person; however modern Biblical scholars do not agree to it.

His ascetic and prayerful life made him known in the wider society and his intercession is sought by many in their needs and struggles.
